Group Annual General Meeting & Awards

(1830hrs-)

Venue: Fgura Primary School Hall

Are you curious to know how many activities the Fgura Scout Group organized last year? Would you like to know what the group is doing to raise funds and how well it is doing? Are you interested to hear about what the group has planned for the coming twelve months?

This is exactly why the Annual General Meeting (AGM) is held every year and is open to all members and their parents. This is our chance to give an overview of the work we've done in 2013, what we plan to do in 2014 and how we intend to achieve it. As an active member of the group, these are matters which affect you directly and that is why **All members AND PARENTS are expected to attend this meeting.**

It's *not* all about boring speeches – we'll be showing some fun presentations with photos and videos taken during our group's activities and we'll also have some light refreshments followed by a presentation ceremony to hand out the awards to the most hard-working and persevering of our members.

Invested members are to attend in full winter parade uniform.

New Activity Wear

Over the past few years, the *SCOUT Association of Malta* has embarked on a complete re-branding exercise. As part of this exercise a new set of standards regulating the designs and colours to be used for activity uniforms where published. Our group will slowly be rolling-out the new activity uniform items and we will be starting with the new activity T-Shirts.

We have started making preparations to make sure that the new T-Shirts will be available by next Summer. For the time being it will not be compulsory for members to wear the new T-Shirts and they may still use the old green shirts – however it is our intention to have these phased out slowly over the course of the coming year. In the meantime, should you wish to purchase the new T-Shirts, kindly fill in the form below and return to the section leader along with the exact price before a section meeting so as to place your order.

Sample T-Shirts for each size will be available at HQ if you'd like to see how they fit before making an order.
