THE *Scout* ASSOCIATION
OF MALTA

The new scout uniform is finally here and is available for sale from InDesign (ID Malta) in Attard. The Scout association of Malta has set a deadline for everyone to adopt the new scout uniform by December **2017**, so there is no rush to switch to the new uniform.

However those members who currently do not have a uniform or are missing parts of the uniform as well as those who wish to plan ahead are welcome to purchase the new **khaki scout shirt** and **long cargo pants** and start wearing those during our parades.

For the time being only the shirt and cargo pants are available. More information regarding availability and purchasing of the badges, belts and epaulettes along with a description of how/where these should be worn will be circulated later on.

Please go through the list of *Frequently Asked Questions* below and feel free to contact me on gsl@fgurascouts.org should you need any further information.

Is there a pullover? A cap? A beret? Shorts?

The answer is "no" for all the above. There is no headwear included in the uniform - so no cap and no beret. All sections will be wearing long cargo pants (so no shorts) and there is no pullover for winter. In case of cold weather scouts are encouraged to wear warm clothing underneath the scout shirt. Sleeveless jackets might also be included as part of the uniform at a later stage.

What about badges, epaulettes and the belt?

*We are currently waiting for all these items to be in stock. The group will be purchasing a number of these items as stock and they will be available for sale from our HQ later on. However more instructions will be sent in this regard later on **for the time being please only buy the shirt and trousers.***

What if they don't have my size?

If you need an over-size shirt or trouser you may visit the ID Malta shop and ask to have your measurements taken for a tailor-made uniform. You should be able to collect your tailor-made uniform from the shop in a few weeks' time.
