

New Winter Activity Wear

After introducing the new branded T-Shirts last year, it is now time for the winter activity wear and baseball caps.

We have started making preparations to make sure that the new hoodies and caps will be available by this July. For the time being it will not be compulsory for members to wear the new hoodies and caps and they may still use the old grey shirts – however it is our intention to have these phased out slowly over the course of the coming year. In the meantime, should you wish to purchase the new Hoodies and caps, kindly fill in the form below and return to the section leader along with the exact price before a section meeting so as to place your order.

Sample Hoodies for each size will be available at HQ and we recommend that you try them on for size before making your order.
