Note 1 – The group name tags are different to the old green "ribbon" type tags and these new ones should be purchased by all members and worn with the new uniform

Note 2 - The south district badge was altered a few years ago to show a light blue background. Any members who have the old badge (with a white background) should now purchase and start wearing the new district badge

Note 3 – The Malta membership badge, WOSM badge and woggles are the same as those in use with the current uniform and as such members may opt to use the ones they have already.

Note 4 – The official belt to go with the new uniform is not yet available. For the time being please wear your existing uniform belt or a normal black/brown belt.
