Thank You Parents!

The Fgura Scout Group thanks all those parents who have assisted us in some way or another throughout this year. This means all those of you who formed part of our group council, those who helped out in organising some of our activities, those who provided materials, advice or just some of their time as well as all those who took the time to attend our fund-raising activities.

Thanks to all of you we've had a fantastic year and we're now working on some really BIG plans for our members for the coming year!

Our group is still on the lookout for **any parents who are willing to volunteer any expertise and/or materials related to woodwork** to help us repair the damage done to our cupboards at our HQ. So if there's anyone out there who can help us out, please give our GSL - James - a call on 79208867 or send him an email on: gsl@fgurascouts.org. Thank You!
