Beavers

During this month we will resume our meetings at our HQ. This is due to the size of our colony which allows us to do so. We will still follow all necessary precautions including with the use of mask and sanitisers. Should we have any changes to our meetings, we will communicate them accordingly through our facebook group.

Thanks,
Beaver leaders.

Wed 2nd Feb

New members, New Lodges @HQ

1800-1900hrs

During this meeting, we will welcome new members in our group. This means that we will be having new lodges. Since we will have new members we will practice our scarf making, followed by some games :)

We remind all beavers to stay up-to-date with their monthly fee dues. Such fees help us in the running of the section.

Finally today, we will have an informative meeting for both the parents and beavers starting their moving on. The member starting their moving on have been informed accordingly. This meeting will serve as an introduction of the Pack section and what to expect during the moving on between one section to the next!

Wed 16th Feb

Learn how things work! @HQ

1800-1900hrs

Today we will continue with our beaver's program. This will be a very interesting session where we will learn how things work and evolve. Beavers are reminded to bring their beaver handbook with them.

Wed 23rd Feb

Creativity - Carnival Face mask. @HQ

1800-1900hrs

Time to use our creativity! Today we will draw our own carnival mask and decorate it using any recycled material we can find at home. Beavers are to bring any recycled material they can find to be used with the carnival mask together with the pocket full of colors.

Dear Parents & Cubs

For February we decided to remain online until the situation is more secure and stable and with the winter weather we will not be missing much. Hopefully we will be in a more normal situation in the following months.

Even though online, the meetings are fun, interesting and varied. Hopefully we will be able to have some enjoyable outdoor meetings from March onwards....some more patience dear cubs - for the safety and benefit of all involved.

This month 3 Moving on Beavers will be joining us in our meetings as part of their moving on so that by the end of April they become cubs. We hope they enjoy their journey :)

Fri 4th Feb

Scavenger Hunt @Online

1845-2000hrs

We're going to have some real online fun today by looking for things around the house and get them in time for the leaders to see if they are correct or not. Let's see who will be the fastest cub!

Fri 11th Feb

Spiritual (+MOB) @Online

1845-2000hrs

Today we stop from the hustle and bustle of our everyday life and together with Shada we will go on a spiritual journey to discover more about how to handle certain situations in life with the help of our Lord.

Fri 18th Feb

Carnival Craft (+MOB) @Online

1845-2000hrs

Carnival is just round the corner so let's do something creative together in order to celebrate this festive time of the year.

Details of items to prepare will be posted in the Cub Scouts Facebook Group a couple of days before the activity.

Fri 25th Feb

Camping goes down memory lane (+MOB) @Online

1845-2000hrs

As suggested by one of our cubs, Bagheera will be selecting the best moments in photos from the various pack or group camps we had in the past (before COVID struck) and we will go through them together to revive beautiful memories and to look forward to making these kind of memories once again.

Troop

We have decided to continue with online sessions into February, much like January for the safety of members and to ensure availability of leaders and attendance of those in quarantine. However, if restrictions change, we have allowed dual options on the 19th and 27th February. Please stay informed via our FB group for any changes to any event.

Fri 4th Feb **Pick and Choose Sessions @Online** **1830-2000hrs**

This week we will continue to finalise an assortment of sessions from the Mountaineer Award book.

Depending on what you need, you will attend the various group to complete your base camp or advanced area. This is not per patrol, but rather completing what you need depending on what you have left for certain badges.

Sat 12th Feb **Trivia Quiz @Online** **0930-1100hrs**

This quiz will be organised by ASL Keith and ASL David covering an assortment of topics, including scouting, general knowledge, current affairs, etc.

Sat 19th Feb **10km hike @Marsaskala Church** **0900-1300hrs**

Depending on restrictions, we have two plans here:

Plan A - a hike covering 10km, starting from the Marsaskala Church to Sant Klement Park, Zabbar and covering section 5 of the backpacker mountaineer award (more details will be sent on the FB members page).

Plan B - online sessions, similar to 4th Feb.

Please stay tuned on the FB group for what will occur for this week. Timings may also change.

Sun 27th Feb **Zulu Challenge @kappella ta san niklaw** **0930-1630hrs**

Depending on restrictions we will attempt to do Zulu again (delayed from January). Starting point is: kappella ta san niklaw, Siggiewi.

"The zulu challenge awaits all those who dare!

This is a full day activity full of all things scouting! The leaders will test you all on a number of activities such as first aid, fire and axe, knots, and many more whilst also mapping your way around an area of Malta.

More details regarding this activity will be given on our Facebook page.

Lets see who will win the zulu award this year!!!!!"

If restrictions do not allow us to do this, unfortunately this would have to be cancelled.
