Dear Parents & Cubs

In February we will organise activities to celebrate carnival and we also have a proficiency badge associated with a meeting regarding carnival during this month. Look out for more details in the meetings section of this circular.

Monthly fees for 2026 will be collected during the month of February so cubs are to bring the Eur 1 due for every month in any one of the February meetings, together with the monthly fees booklet to be updated and give it to Rama. You can pay for any amount of months you like; for Jan - Apr 26 will amount to Eur 4, etc.

During the month of February we also celebrate Founder's Day - so we commemorate the day when our Founder Lord Baden Powell was born - 22nd February. There will be a particular and different church parade to mark this particular event.

Another adventurous and fun filled month to look forward to.

The second part of this meeting will be dedicated to the planning of the carnival float which will be done a week later by six. This will form part of the Crafter Badge and if any cub is interested in continuing this badge we will be explaining what the cubs can do on their own to then present this material in the meeting of the 28th February.

Based on last week's discussion by six and on instructions given by the leaders, the sixes will turn creative to build their own very carnival float. Points will be given for the 1st best float, 2nd, 3rd, 4th, 5th and 6th float and these points will go toward the Best Six award at the end of the year.

Points will be based on: creativity, originality, use of recyclable materials, teamwork and the final presentation.

Make sure to divide tasks between patrol members and decide who will be getting the necessary equipment or materials.

Each patrol should let the leaders know their chosen country and send a finalised equipment list by 14/02/2026.

You will be cooking a 3-course meal including starter, main course and dessert by patrol. Leaders will judge your food presentation, taste, creativity, teamwork and cleanliness. Important to bring your own cutlery bag, water and other equipment which might be required.

Food will be purchased by patrol. Those purchasing food must keep a copy of the receipt so that you split the costs evenly at the end of the meeting.
