Pack

Dear Parents & Cubs

In November we have some fun and interesting activities the highlight of which is the Ziguzajg Childrens' Arts Festival. Booking for this activity was done last month in order to secure the tickets.

It is important to note that we do not only do sessions when we have a meeting entitled Sessions but we also take the opportunity to do sessions during a hike and a cookout in itself is also a session in the Pack programme. So, for example in November we have sessions twice in a month - in the first meeting and when we have the Cookout. The same happened in October when we had sessions on the 24th October and a Hike on the 31st where we will be carrying out sessions as well.

Looking forward for another month of creative and fun activities!!

Yours in Scouting
Akela & Pack Leaders

Fri 6th Nov

Games (+MOB) @HQ

1830-2030hrs

During today's meeting, the Cubs will be taking part in a series of games and activities as sixes. The aim is to encourage teamwork and cooperation amongst the Cubs, while allowing each Six to earn points as a team during the games.

These points will contribute towards determining the Best Six at the end of the Scouting year.

Sat 14th Nov

Cookout (+MOB) @Polverista

1400-1700hrs

We will be meeting half an hour earlier since a cookout takes time, especially seeing that we have a lot of cubs to have their food cooked in these 3 hours plus we need to deliver the session before we start.

Cubs are to come as usual with full activity uniform and in their backpack they should get enough water to drink and the food to cook - this should be brought in a plastic container (or small cooler bag) and should contain the food which the cub will be taking. Please leave it simple and give the cub burgers, chicken nuggets or pieces (pre-cooked), sausages and maybe a bun or roll and some salad.

Please do not give them a whole packet of the mentioned food but only the items which they will be consuming themselves as otherwise the other food would have thawed and goes to waste.

It is important for the cubs to get the Cutlery Bag with the usual items that it should contain. For the Cookout you will need a flat plate and the cutlery to eat with - basically a fork and knife plus tissues and wipes.

Sat 21st Nov

Ziguzajg @Bulebel

0945-1645hrs

And finally the date has arrived!!

We will be watching the performance Myths Across the Sea at Valletta Design Cluster from 11am - 12pm. Then we will take a break at Upper or Lower Barrakka Gardens and afterwards go to watch the film Papaya at Spazju Kreattiv from 2-4pm.

Cubs should come in full activity uniform with cap & scarf and get a small backpack with them which should contain a small packed lunch and enough water to drink.

Booking and payment for this activity were done in October.

Sat 28th Nov

Sessions (+MOB) @HQ

1430-1630hrs

We will continue with the Our River part of the new Pack programme which we started in October and we cannot over emphasize the importance of attending such meetings.

If we are able to finish in time, we will play a game or two :)

Sun 29th Nov

Anniversary Parade @HQ

The Group is only a year away from celebrating its 40th anniversary and the 29th is precisely the anniversary day too which happened to fall on a Sunday this time round.

Please follow the details in the Group section of this circular and make sure the parade uniform is up to date with the latest badges acquired and don't forget the black shoes.

A good breakfast is advisable before coming.

Please be on time because of formation. We are still seeing cubs coming some 10 or 15 minutes late precisely before we leave to start marching. We should learn to be more disciplined and punctuality is important not just now but also in the future.

Let's celebrate our 39th year together!
