There are **195 countries around the globe**, and every one of them has its own unique **culture, history, traditions, food and customs**.

Today, we are going on a little **journey around the world!**

Along the way, we will discover how people live in different parts of the world, learn about the traditions they celebrate, taste and discover different foods, uncover interesting historical facts, and explore some of the customs that make each country special.

And the best part? **You are coming along for the adventure!**

So, get ready to **pack your imaginary suitcase**, put on your **explorer hat**, and open your minds to discover new places, people and cultures.

Our around-the-world adventure is about to begin!

Dear Parents & Cubs

October is totally back to normal month from every aspect. Summer has been a long one and attendance quite low but now that school is back, together with all other activities, we hope we will be able to move forward with full attendance once again.

In October we have 5 meetings and all of them are varied, fun and interesting.

Unless otherwise advised, cubs are to attend all meetings in full activity uniform with cap & scarf.

Thank you
Akela & Pack Leaders

JOTA/JOTI @HQ

1400-1700hrs

Today the meeting is 3 hours long instead of 2 hours because we have a lot of fun and interesting activities to cover for the worldwide Jamboree on the Air and Jamboree on the Internet where we will be in touch with scouts all over the world and also learn about different methods of communication and different cultures of scouts in different contries.

Activities we will cover (which will be split into stations) include: Morse Code; Laptops to contact scouts abroad; Flags of the countries we will be getting in touch with; Semaphores; Greetings in different languages and last but not least the NATO Phonetic Alphabet (Alpha, Bravo, Charlie, etc).

Wow!!

Sat 24th Oct

Sessions & Proficiency Badges (+MOB) @Gnien San Klement

1430-1630hrs

The first part of the meeting will be dedicated to scouting sessions and today we will start the seccion entitled Our River.

In the second part of the meeting, cubs who have been working on a badge in the past months (the last time we did a proficiency badges session was last May) together with those cubs who will decide to do a badge in this last month, will have the opportunity to present this badge today to the rest of the pack. Please note that MOB's should not present a badge themselves today but will see how things are done so that they can start doing badges themselves when they become cubs.

Akela will be in touch with the parents to see which badges are to be done from last May and a schedule will be posted on our Facebook Group.

Today booking should be made for transport for hike on Saturday 31st October - Eur4 (Consent form to be sent online as for other outdoor meetings).
